

## ✓ DRUNK DRIVING CHECKLIST

A "Must Have" for Today's Drunk Driver

Decided to give Drunk Driving a try? Please complete this simple checklist of things you'll want to get ready before you drink and drive:

- Get a new bed set (so I can enjoy my six month stay at the county jail)
- Take out a small loan (so I can pay about \$3000 in fines and fees)
- Get my bus pass (since I'll be losing my driver license)
- Say goodbye to my friends (since I'll be making new, *intimate* relationships in prison)
- Get a lawyer (to help fight my DUI case - only \$2500)
- Get a better lawyer (to help fight my manslaughter charges)
- Find new auto insurance (only \$300/month increase)
- Enroll in an Alcohol Ed Class (hours of fun)

Don't Forget to Practice Your New Signature
